AMUSEMENTS TO-NIGHT.

GRAND OPERA-HOUSE—"The Woman Hater."  
"Olympia"—"Jocelyn."  
"Theatre"—"Romeo and Juliet."  
"Forsythe"—"A Night at the Theatre."  
"Standard"—"Montezuma."

The indications for twenty-four hours, commencing at 3 p. m., to-day, for Missouri are: Light rain, except in extreme northwest portion; fair; cold; winds shifting to northerly.

We print the official tally of the vote of St. Louis. It is rough on "OUR DAVE."

JOHN O'NEILL carried the Fourteenth Ward by 561 majority, while FRANCIS carried it by only 300. Does anybody suppose that JOHN O'NEILL "knifed" FRANCIS?

Except for the broad smiles and the hoarse yaws which still accompany Republicans in their daily walks no one would know that a national election had taken place in this country.

The vexed question as to whether the Senate tariff bill was a campaign document or a genuine measure will soon be settled. The odds, however, are in favor of its staying in the Senate pigeon-hole.

We feel entirely safe in venturing to predict that the baby show will be a howling success, and that the POST-DISPATCH Christmas tree will distance everything of the kind. This is a great year for children.

CAL BRUCE is said to be out \$150,000 on the election, but what BRUCE loses on a party wreck he can make up on a railroad wreck, while the thousands who will be out of office and income after March 4 have no such means of recuperation.

ONE HUNDRED AND SEVENTY-THREE citizens of St. Louis voted the Prohibition ticket at the last election. We really do not think that this tremendous outpouring of the voters, this tidal wave of prohibition sentiment, entitles the Prohibitionists to control the city.

It is rather singular that Mayor FRANCIS ran behind CLEVELAND in every ward in the city except one, the Twenty-second. It is still more singular, however, that in this ward he ran ahead of CLEVELAND. Are we asked to believe that six Democrats scratched CLEVELAND?

The unanimous re-election of Mr. JUDSON as President of the School Board is a pleasing indication that there is a limit to the quarrels and faction fights among the members of that body, and that they all appreciate the intelligent, sane and exceptional ability which President Judson has devoted to the service of the schools.

The anti-rig vote of St. Louis in the recent election was 36,185. Previous to this the largest anti-rig vote was that cast against OVERSTOCK in 1881, when 24,609 voters expressed their disapproval of boss rule. An increase of 50 per cent in the anti-rig vote of the city in seven years is just cause for congratulation.

REPUBLICANS who are demanding a clean sweep of offices should bear in mind that the party and Gen. HARRISON are distinctly pledged to service reform. But they are pledged also to higher tariff and free whiskey, and as no one expects these pledges to be kept perhaps the demand for a clean sweep is not absurd.

THERE is a class of saloons in St. Louis that were licensed improperly and contrary to the intent and purpose of the law—a class of saloons that ought not to be tolerated. But a proper administration of the laws we have will abate this nuisance. Further legislation is needed only to give local political bosses a stronger political clench on the liquor interest.

WITHOUT any desire to hurt the feelings of Col. ED BUTLER of the Nineteenth Ward, we take the liberty of reminding him that his ward, while giving CLEVELAND a majority of 117 votes, reversed this majority in voting on the State ticket and gave Mr. KIMBALL 106 votes more than it gave Mr. FRANCIS. Under the circumstances it looks as if Mr. BUTLER could serve the interests of his party best by withdrawing from open participation in politics.

SENATOR BLAIR of New Hampshire is a happy man. He statesmanlike is concentrated in two objects—the perpetuation of the Republican party and the expenditure of the surplus. He has been inter-

viewed and declares that the first object will be accomplished by admitting into the Union every territory which promises to be a Republican State, and the second will be gained by the passage of the Blair educational bill. If Senator BLAIR is allowed rope enough by his colleagues he will strangle himself and his party too.

THE official returns show that Mayor FRANCIS ran behind O'NEILL, the defeated candidate for Congress, in every ward in the Eighth Congressional District, that he ran behind CLARKE, the defeated candidate for Congress, in every ward in the Tenth District, and that he ran behind CLARK, the defeated candidate for Congress, in every ward in the Ninth District except two. The fact that Mayor FRANCIS was elected Governor cannot soften the sting in the vote of his home city. No severer rebuke could be administered to a candidate.

It is perhaps one of the natural results of the election that many small people have suddenly discovered that Gen. HARRISON is a remarkable man and that Mr. HARRISON is a wonderful woman. The human tendency to worship and flatter the representative of success and power is found alike in free republics and absolute monarchies. There is reason to believe, however, that the President-elect and his wife are sensible and excellent persons who will step easily and gracefully into prominence and will not allow their heads to be too much turned by flattering attentions.

THE PEOPLE'S FORUM.

Not a Candidate.

To the Editor of the Post-Dispatch:

Much as I appreciate the kindness of friends in mentioning my name for the mayoralty I must nevertheless say again what I have constantly said: I am not a candidate, never have been, and never will be. I could not and would not accept under any circumstances. Whatever ambition I have, it does not run in the direction of politics. I am ready, however, to do any amount of unofficial work to promote good government.

## CHRISTMAS IS COMING.

SANTA CLAUS WILL BE UNUSUALLY GOOD TO LITTLE FOLKS THIS YEAR.

The "Post-Dispatch's" Christmas Tree Fund Going ahead at a Rapid Rate—A Private School Contributes \$11 To-Day—More Letters from the Little Ones—The Fund Now Amounts to \$284.16.

THE letters received and printed from day to day by the POST-DISPATCH from children who contribute to the POST-DISPATCH's Christmas Tree Fund indicate the strong hold which the charity has taken upon the young folks, not only of St. Louis, but of many neighboring towns. Every letter overflows with the tenderest sympathy for the poor children who are to have a merry Christmas, and the little writers all their communications with a sweet love for suffering humanity that is as fragrant and beautiful as the breath and hush of the flowers.

Christmas, thanks to their efforts, is going to be the grandest success known in the history of local charities. The object, everybody knows by this time, is to provide Christmas cheer for the children of the poor, and the cheer for the children of the poor is the cheer for the children of the poor.

Contributions to the fund are being received from all quarters. The fund is now \$284.16. The fund is now \$284.16. The fund is now \$284.16.
